—The entertainment given by the members of the Queen Esther Society at the M. E. church on Friday evening of last week proved to be one of the most pleasing and unique affairs given by that society since their organization, showing much careful preparation. Clever portrayals of their respective roles were given in the "Trip by Airship" and also "The Search for Happiness." The cantata, "The Ten Virgins," was well rendered, making a very pleasing song picture. Notwithstanding the unfavorable weather, there was a good attendance.
